

PURSUIT SYSTEMS

CAYENNE

Our highly modified Porsche Turbo Cayenne camera cars combine high speed performance with unsurpassed versatility. They can be fitted with our state of the art high speed cranes or a variety of other arms and camera mounts. We can mount any gyro head and transport it all for you in a dedicated trailer, set up and ready to go. All of our camera cars come completely equipped with video monitors front and rear, and intercom systems at no additional charge.
