North Hollywood, CA (818) 452-1000 [www.pursuitsystems.com](http://www.pursuitsystems.com)

## Mini Cooper

The compact dimensions of this little car hide an incredibly quick and agile platform. We've modified the engine, brakes, and suspension for go kart like handling and the ability to shoot truly high performance footage in restricted locations such as parking structures or canyon roads. Full HD video monitors are provided front and rear and our Quick-Change Post and Beam camera mount lets you change the camera from front to back, left side to right in seconds.

### Equipment Details

**Vehicle Length:** 13' 1"    **Vehicle Length (Post & Beam):** 13' 7"    **Max Speed:** 140+ MPH  
**Vehicle Height:** 5'    **Vehicle Height (Post & Beam):** 5' 3"    **Capacity:** 2 Passengers + Driver  
**Vehicle Width:** 6' 5"    **Wheel Width:** 5' 5"
